RFB NO. 108055 - ADDENDUM NO. 3

LANDFILL GAS MANAGEMENT SYSTEM REPAIRS

BIDS DUE: Tuesday, April 22, 2008, 2:00 PM. DUE DATE AND TIME ARE NOT CHANGED BY THIS ADDENDUM.

This Addendum is issued to modify, explain or clarify the original Request for Bid (RFB) and is hereby made a part of the RFB. It is bidder's responsibility to make this Addendum available to all subcontractors before bids are due.

Acknowledge receipt of all Addenda on the Bid Form.

PLEASE MAKE THE FOLLOWING CHANGES:

1. General information

- A. There was an omission on the Legal Notice / Advertisement for bids. Because there was a mandatory pre-bid meeting requirement to bid on this project, this information should have been included in the Legal Notice / Advertisement for bids. Therefore, a second pre-bid meeting will be held Tuesday, April 15, 2008 at 8:30 AM at the corners of Pankratz Street and Anderson Street. Contractors are not required to attend this new pre-bid meeting if they attended the original pre-bid meeting. Contractors must have attended at least one of the two pre-bid meetings in order to bid on this Work. Subcontractors are not required to attend a pre-bid meeting. If any new material is addressed in the second pre-bid meeting, it will be released to all plan holders through an addendum.
- B. The Bid Opening time has been changed to Tuesday, April 22, 2008 at 2:00 PM. The Bid Opening location remains the same.

If any additional information about this Addendum is needed, please call John Welch, 608/516-4154.
