BASE BID - UNIT PRICING

Dane County is inviting Bids for construction services to upgrade the lighting systems in several facilities. Work includes retrofitting older fixtures with more efficient lamps and ballasts and some complete fixture replacement. All quantities are approximate. Owner shall furnish all replacement lamps, fixtures, ballasts, and end-caps. Contractor is responsible for furnishing and installing all chain-hangers, wires, nuts, and any other miscellaneous materials needed for terminating existing fixtures and/or installing the lights per NEC. Contractor will be paid based on actual amount installed. Quantities provided for retrofitting T12 fixtures with 4' and 8' T8 lamps have been combined and will be bid at the same unit pricing.

The undersigned shall examine the site where the Work is to be executed, become familiar with local conditions affecting the cost of the Work, and carefully examine the Specifications and all other Construction Documents and Addenda thereto prepared by Dane County Department of Public Works, Highway & Transportation. The undersigned hereby agrees to provide all labor, equipment, miscellaneous materials, and services necessary for the complete and satisfactory execution of the entire Work, as specified in the Construction Documents, for the Base Bid unit pricing as follows:
