ATTENTION ALL REQUEST FOR PROPOSAL (RFP) HOLDERS

RFP NO. 310025 - ADDENDUM NO. 1

COMPRESSED NATURAL GAS (CNG) FUELING SYSTEM

PROPOSALS DUE: THURSDAY, SEPTEMBER 16, 2010, 2:00 PM. DUE DATE AND TIME ARE NOT CHANGED BY THIS ADDENDUM.

This Addendum is issued to modify, explain or clarify the original Request for Proposal (RFP) and is hereby made a part of the RFP. **All Proposers must acknowledge this Addendum in their submitted Proposal.**

PLEASE MAKE THE FOLLOWING CHANGES:

1. Optional Installation Proposal – Section 7 of RSBI

If Proposer chooses to submit an optional Proposal for installation, optional Proposal must include all elements of installation, including, but not limited to installation of concrete slab, securing the compressor compound area with bollard, Jersey barrier or similar obstruction, installation of ESD (emergency shutdown devices), and connection of utilities. Dane County will provide adequate utility services stubbed out at the equipment location, and Proposer will connect the equipment to those utility services. MG&E has confirmed that they can provide a minimum of 20 psi to this location. Proposer must install any utilities that run from the compressor area to the dispenser.

2. Asphalt Patch

Dane County will be responsible for any asphalt patching that is necessary as a result of this Work.

3. Installation Location

The compressor and storage vessels will be located on the far east side of the parking lot. The dispenser will be located immediately south of the existing gasoline dispensers. See Figure 1 for more detail.

If any additional information about this Addendum is needed, please contact John Welch at 608/267-8815, welch@co.dane.wi.us.
