Public Works Engineering Division
Public Works Solid Waste Division

ADDENDUM

MAY 8, 2018

ATTENTION ALL REQUEST FOR BID (RFB) HOLDERS

RFB NO. 318006 - ADDENDUM NO. 2

REFUSE HAULING AND COLLECTION FROM COUNTY FACILITIES

BIDS DUE: TUESDAY, MAY 15, 2018, 2:00 PM. DUE DATE AND TIME **ARE NOT** CHANGED BY THIS ADDENDUM.

This Addendum is issued to modify, explain or clarify the original Request for Bid (RFB) and is hereby made a part of the RFB. Please attach this Addendum to the RFB.

PLEASE MAKE THE FOLLOWING CHANGES:

1. BID FORM

Remove Bid Form; replace with new Bid Form, issued with this Addendum. The revised Bid Form is marked "Addendum No. 2". The new form has been revised as follows:

- Addition of manure collection for the Alliant Energy Center.

Please note, at the Alliant Energy Center, there are typically 2-4 contractor supplied roll-off containers at the site for manure. During larger cattle shows, there can be as many as 12 contractor roll-off containers and 4 County owned containers. Manure dumpsters must be picked up with a 24 hour turn around.

- Revisions to Highway & Transportation Department locations at 2520 CTH B, Stoughton, WI and 3103 Luds Lane, McFarland, WI.

2. PERFORMANCE AND PAYMENT BOND

Performance and Payment Bonds are NOT required for this project.

PLEASE NOTE THE FOLLOWING CONTRACTOR SUBMITTED QUESTIONS:

Question 1: Would the awarded hauler be responsible for paying gate and tonnage rate charges at Dane County Landfill Site No. 2 for hauled Dane County solid waste? If so, what would those charges be?

Answer 1: No, the awarded hauler does not pay Dane County gate and tonnage tipping fees on Dane County waste hauled to the landfill. Awarded Bidder's monthly invoice to Dane County would only include hauling costs. Dane County bills each County Department directly for the gate and tonnage tipping fees.

Question 2: Under Scope of Work, would Dane County consider an exception to Item No. 1 and allow Bidders to propose an alternative landfill and offset Dane County tonnages with tonnages from routes in geographical proximity to the Dane County Landfill?

Answer 2: No, we will not make an exception to this provision or allow tonnage swaps. All waste from Dane County facilities that is landfilled must be landfilled at the Dane County Site #2 Rodefild Landfill.

Question 3: If the service agreement between Bidder and Dane County added language that offered protection from future liabilities, would Dane County reconsider making an exception to Item No. 1?

Answer 3: Dane County will NOT consider an exception despite protection from future liabilities.

Question 4: Does Dane County treat organics from Henry Vilas Zoo as landfill waste? If not, where are they disposed at?

Answer 4: Dane County treats all organic waste from Henry Vilas Zoo as landfill waste and is disposed of at Dane County Landfill Site No. 2.

Question 5: Can Dane County provide an average number of hauls for each location listed as “as needed” for the last 12 months?

Answer 5: See Attachment No. 1 – As Needed Container Pick-Ups for 2017.

Question 6: Is Dane County flexible on start date?

Answer 6: Yes, start date flexibility is an option.

If any additional information about this Addendum is needed, please call John Welch at 608/516-4154, Welch@countyofdane.com.

Sincerely,
John Welch
Project Manager

Enclosures:
Bid Form – Addendum No. 2, revised 4/30/18.
Attachment No. 1 – As Needed Container Pick-Ups for 2017

Name of Bidding Firm: _____

BID FORM

BID NO. 318006

PROJECT: REFUSE HAULING AND COLLECTION FROM COUNTY FACILITIES

**TO: DANE COUNTY DEPARTMENT OF PUBLIC WORKS, HIGHWAY & TRANSPORTATION PROJECT ENGINEER
1919 ALLIANT ENERGY CENTER WAY
MADISON, WISCONSIN 53713**

Bids must be submitted on the attached Bid Form. Bids submitted otherwise will be rejected. Dane County reserves the right to accept or reject any and all bids submitted; and to accept such bids deemed to be in the best interest of the County. The bids will be reviewed initially to determine if technical requirements are met. Copies of proposed container diagrams/drawing must be submitted with your bid for easy identification.

Base Bid:

Bidders shall bid on ALL of the sites.

Bid shall include container cost, hauling cost, and total for each listed item.

A listing of anticipated pickup locations, container sizes, and frequency of pickups is shown on the pickup bid schedule. The bid form shows the weekly total number of pickups for each size container. Bidders must enter a container price, haul price, and total price.

Alternate Bid:

Lump sum cost to provide three (3) different colored carts for Henry Vilas Zoo (i.e. one color for all recycling carts, one color for all compost carts, and one color for all waste carts).

Additional Required Information:

Please provide a comprehensive list with Bid Form of categories of materials Vendor will accept in the single stream recycling (i.e. paper, plastics #1-7, cans, glass, newspaper, etc.).

Please provide a response to the following question:

Due to the asphalt concrete at Henry Vilas Zoo, that location may require Bidder to use a collection vehicle that is a maximum of 30,000 lbs. gross vehicle weight (GVW) when fully loaded with materials. Are you able to meet these weight restrictions (Check Box)?

Yes

No

The County may conduct up to four audits per year when the contractor will be asked to bring solely, the county waste picked up, directly to the County landfill without picking up other customers. These audits will be conducted with reasonable notice and at mutually agreeable times and dates. A representative of the County will ride along from material collection until disposal. Periodic meetings at the County's request may be scheduled to review contracted service and to resolve any disputes
