Background Information

A. Background and Site Information

It is estimated that Dane County generates approximately 15,000 to 20,000 tons of residential asphalt shingles each year. It would be the goal of Dane County to recycle all residential asphalt shingles to the greatest extent possible. Benefits to recycling asphalt shingles include preserving airspace in the landfill, reducing dependency on fossil fuels, reducing green house gases, and promoting green building initiatives by beneficially reusing the asphalt shingles in marketable products.

In 2008, Dane County began collecting shingles at its Rodefild Landfill site, and then sending these shingles to an area recycler. In order to accommodate this operation, Dane County constructed a drop off location on a portion of its asphalt pavement and obtained the necessary permits from WDNR to be a non-containerized collector for tear-off-shingles. Shortly after starting this operation, Dane County chose to ban large haulers and contractors from disposing of shingles at this site due to site constraints. The County has continued to collect clean shingles at this site from individual citizens for the last five years. The original shingle recycling contract has expired, and this RFP is being issued to find qualified companies for a new shingle recycling agreement.

In addition, Dane County recently opened a waste transfer station at this site. The waste transfer station is used to consolidate and transfer mixed loads of Construction and Demolition (C&D) materials to a C&D recycler. The new transfer station allows us to collect mixed loads of C&D from haulers, contractors, and residents, consolidate it into semi-trailers, and haul it to a C&D recycler. Because of the configuration and intended use of the building, it may be possible to use the transfer station building as a drop off location for shingles. However, because of space constraints within the building, it cannot be used for stockpiling or long-term storage of shingles. Stockpiles would have to be located at another location on our site. These facilities and the overall site space constraints should be considered when submitting information in Section 1 of the Requested Services and Business Information, Paragraph C.

REQUESTED SERVICES AND BUSINESS INFORMATION

- A. Dane County is inviting proposals for the recycling and reuse of tear-off shingles from Dane County Solid Waste Department.
- B. To ensure consideration, and for ease of review and evaluation, all proposals should be prepared in accordance with the Instructions to Bidders.
- C. As part of the requirements listed in the Instructions to Bidders, Proposers are requested to submit the following information in their proposal, in 6 distinct sections. Use Exhibits where appropriate, and provide additional information as necessary.

Section 1 - Project Approach

This section should include a detailed description outlining all phases of the collection, storage, and beneficial reuse of the shingles, but not limited to:

- Intended use of the shingles;
- Quantity of shingles that can be utilized;
- Any limitations on the quality or type of materials that can be accepted;
- Seasonal fluctuations in the shingle needs of the respondent and storage capacities to account for these fluctuations;
- Location where the shingles will be recycled and reused;
- Approach to collecting, storing, shipping, and recycling shingles;
- Any monitoring or storage requirements that Dane County must comply with;
- A detailed plan of how you anticipate Dane County will handle materials at its landfill site and a description of any of Proposer's requirements that may affect how Dane County collects, handles, and stores the shingles at its landfill site; and
- Alternatives to storing shingles at the Rodefild landfill and trucking them to a recycling facility.

If the proposal includes the recycling or reuse of shingles at multiple sites, then each location should be described separately.

Section 2 - Proposer's Qualifications

This section should include, but not be limited to, the following information:

- Corporate/business structure, including primary and secondary businesses;
- Primary and secondary company contact information.
- Proposer's shingle recycling or reuse projects participated in over the last five years;
- Proof of certification from DNR authorizing proposer to perform shingle recycling and reuse activities.
- Description of any past, current or proposed litigation concerning recycling or waste reduction projects and payments; and
- Separate descriptions, as appropriate, for each member if there is a consortium or partnership of two or more firms proposing, and a description of the relationship between the entities for this Proposal.

Section 3 - Financial Considerations

The financial viability of any Proposal should be demonstrated to provide assurance that the proposer, as well as any firm(s) involved in the Proposal, has adequate financial strength. Financial strength is an indicator of the likelihood that the proposer is able to carry out the responsibilities to the supplier for the life of the contract. At a minimum, Proposal must address each of the following:

- Are there any past, current, threatened or proposed lawsuits related to your land, facilities or your ability to accept shingles under the present proposal ?
- Has your company/organization or any of the principals ever declared bankruptcy?
- Provide credit references.
- Provide a copy of your most recent audited financial statements including balance sheet, income statement and statement of cash flows (if unavailable, please provide a current listing of assets, liabilities and cash flow and a current profit and loss statement that is closely related to the operations of your facility(ies)).

Dane County recognizes that certain information contained in proposals submitted may be confidential and may represent a competitive or business strategy. The proposer is responsible for identifying those portions of their proposal which they consider confidential on the attached Designation of Confidential and Proprietary Information form and submitting that form with Section 3 of their Proposal. Notwithstanding the above, Proposals in their entirety may be shared with the Public or any other governmental entity that has regulatory authority over this project.

Section 4 - Contract Terms

Fill out a Proposal Form for each site that may accept shingles and include the Proposal Form(s) with Section 4 of your Proposal. Between the Proposal Form(s) and additional information submitted, this section should detail the following aspects of the Proposal:

- Earliest date the shingles can be accepted;
- Dates outlining the season during which shingles can be accepted each year;
- Anticipated quantity of shingles capable of being accepted by facility;
- Any limitations on the quality or type of materials that can be accepted;
- Price for shingles, in \$/ton for recycling **and** \$/ton for shipping costs. If Proposer chooses, the shipping costs may be indexed to the federal mileage reimbursement rate or diesel prices; and
- Pricing for sorted shingles and non-sorted shingles, including definitions and requirements of these terms, if pricing is different;

Duration of Shingle Supply Offer: Dane County is proposing a contract period of two (2) years with three (3) optional one (1) year extensions. If a proposer requires a different length contract, that should be presented as an alternative Proposal.

Section 5 – Alternative Plans

The proposer may provide an alternative price in \$/ton for shingles that are recycled by a means other than by the contractor. The proposer may also provide a description of any alternatives for recycling or reuse of the shingles other than Dane County storing them at

Rodefild Landfill and the contractor shipping them for processing. This should include the location, route, and costs to Dane County of alternative plans or transportation.

Section 6 - Other Information

This section provides the opportunity to describe other aspects of the proposal that may not fit into one of the above categories.

Such personnel shall not be deemed to be employees of COUNTY nor shall they or any of them have or be deemed to have any direct contractual relationship with COUNTY.

III. ASSIGNMENT/TRANSFER: PROVIDER shall neither assign nor transfer any interest or obligation in this Agreement, without the prior written consent of COUNTY unless otherwise provided herein, provided that claims for money due or to become due PROVIDER from COUNTY under this Agreement may be assigned to a bank, trust company or other financial institution without such approval if and only if the instrument of assignment contains a provision substantially to the effect that it is agreed that the right of the assignee in and to any moneys due or to become due to PROVIDER shall be subject to prior claims of all persons, firms and corporations for services rendered or materials supplied for the performance of the work called for in this Agreement. PROVIDER shall promptly provide notice of any such assignment or transfer to COUNTY.

IV. TERMINATION.

- A. Failure of PROVIDER to fulfill any of its obligations under this Agreement in a timely manner, or violation by PROVIDER of any of the covenants or stipulations of this Agreement, shall constitute grounds for COUNTY to terminate this Agreement by giving a thirty (30) day written notice to PROVIDER.

B. The following shall constitute grounds for immediate termination:

1. violation by PROVIDER of any State, Federal or local law, or failure by PROVIDER to comply with any applicable States and Federal service standards, as expressed by applicable statutes, rules and regulations.
2. failure by PROVIDER to carry applicable licenses or certifications as required by law.
3. failure of PROVIDER to comply with reporting requirements contained herein.
4. inability of PROVIDER to perform the work provided for herein.

C. Failure of the Dane County Board of Supervisors or the State or Federal Governments to appropriate sufficient funds to carry out COUNTY's obligations hereunder, shall result in automatic termination of this Agreement as of the date funds are no longer available, without notice.

D. In the event COUNTY terminates this Agreement as provided herein, all finished and unfinished documents, services, papers, data, products, and the like prepared, produced or made by PROVIDER under this Agreement shall at the option of COUNTY become the property of COUNTY, and PROVIDER shall be entitled to receive just and equitable compensation, subject to any penalty, for any satisfactory work completed on such documents, services, papers, data, products or the like. Notwithstanding the above, PROVIDER shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this Agreement by PROVIDER, and COUNTY may withhold any payments to PROVIDER for the purpose of set-off.

V. PAYMENT. COUNTY agrees to make such payments for services rendered under this Agreement as and in the manner specified herein and in the attached Schedule B, which is fully incorporated herein by reference. Notwithstanding any language to the contrary in this Agreement or its attachments, COUNTY shall never be required to pay more than the sum set forth on page 1 of this Agreement under the heading MAXIMUM COST, for all services rendered by PROVIDER under this Agreement.

- VI. REPORTS. PROVIDER agrees to make such reports as are required in the attached Schedule C, which is fully incorporated herein by reference. With respect to such reports it is expressly understood that time is of the essence and that the failure of PROVIDER to comply with the time limits set forth in said Schedule C shall result in the penalties set forth herein.
- VII. DELIVERY OF NOTICE. Notices, bills, invoices and reports required by this Agreement shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth above. It shall be the duty of a party changing its address to notify the other party in writing within a reasonable time.
- VIII. INSURANCE.
- A. PROVIDER shall indemnify, hold harmless and defend COUNTY, its boards, commissions, agencies, officers, employees and representatives against any and all liability, loss (including, but not limited to, property damage, bodily injury and loss of life), damages, costs or expenses which COUNTY, its officers, employees, agencies, boards, commissions and representatives may sustain, incur or be required to pay by reason of PROVIDER furnishing the services or goods required to be provided under this Agreement, provided, however, that the provisions of this paragraph shall not apply to liabilities, losses, charges, costs, or expenses caused by or resulting from the acts or omissions of COUNTY, its agencies, boards, commissions, officers, employees or representatives. The obligations of PROVIDER under this paragraph shall survive the expiration or termination of this Agreement.
- B. In order to protect itself and COUNTY, its officers, boards, commissions, agencies, employees and representatives under the indemnity provisions of this Agreement, PROVIDER shall obtain and at all times during the term of this Agreement keep in full force and effect comprehensive general liability and auto liability insurance policies (*as well as professional malpractice or errors and omissions coverage, if the services being provided are professional services*) issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department, with liability coverage provided for therein in the amounts of at least \$1,000,000.00 CSL (Combined Single Limits). Coverage afforded shall apply as primary. COUNTY shall be given ten (10) days advance notice of cancellation or nonrenewal. Upon execution of this Agreement, PROVIDER shall furnish COUNTY with a certificate of insurance listing COUNTY as an additional insured and, upon request, certified copies of the required insurance policies. If PROVIDER's insurance is underwritten on a Claims-Made basis, the Retroactive Date shall be prior to or coincide with the date of this Agreement. The Certificate of Insurance shall state that coverage is Claims-Made and indicate the Retroactive Date. PROVIDER shall maintain coverage for the duration of this Agreement and for two years following the completion of this Agreement. PROVIDER shall furnish COUNTY, annually on the policy renewal date, a Certificate of Insurance as evidence of coverage. It is further agreed that PROVIDER shall furnish the COUNTY with a 30-day notice of aggregate erosion, in advance of the Retroactive Date, cancellation, or renewal. It is also agreed that on Claims-Made policies, either PROVIDER or COUNTY may invoke the tail option on behalf of the other party and that the Extended Reporting Period premium shall be paid by PROVIDER. In the event any action, suit or other proceeding is brought against COUNTY upon any matter herein indemnified against, COUNTY shall give reasonable notice thereof to PROVIDER and shall cooperate with PROVIDER's attorneys in the defense of the action, suit or other proceeding. PROVIDER shall furnish evidence of adequate Worker's Compensation Insurance.
- C. In case of any sublet of work under this Agreement, PROVIDER shall furnish evidence that each and every subcontractor has in force and effect insurance policies providing coverage identical to that required of PROVIDER.
- D. The parties do hereby expressly agree that COUNTY, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be

determined solely by COUNTY's Risk Manager taking into account the nature of the work and other factors relevant to COUNTY's exposure, if any, under this Agreement.

- IX. NO WAIVER BY PAYMENT OR ACCEPTANCE. In no event shall the making of any payment or acceptance of any service or product required by this Agreement constitute or be construed as a waiver by COUNTY of any breach of the covenants of this Agreement or a waiver of any default of PROVIDER and the making of any such payment or acceptance of any such service or product by COUNTY while any such default or breach shall exist shall in no way impair or prejudice the right of COUNTY with respect to recovery of damages or other remedy as a result of such breach or default.
- X. NON-DISCRIMINATION. During the term of this Agreement, PROVIDER agrees not to discriminate on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs against any person, whether a recipient of services (actual or potential) or an employee or applicant for employment. Such equal opportunity shall include but not be limited to the following: employment, upgrading, demotion, transfer, recruitment, advertising, layoff, termination, training, rates of pay, and any other form of compensation or level of service(s). PROVIDER agrees to post in conspicuous places, available to all employees, service recipients and applicants for employment and services, notices setting forth the provisions of this paragraph. The listing of prohibited bases for discrimination shall not be construed to amend in any fashion state or federal law setting forth additional bases, and exceptions shall be permitted only to the extent allowable in state or federal law.
- XI. CIVIL RIGHTS COMPLIANCE.
- A. If PROVIDER has 20 or more employees and receives \$20,000 in annual contracts with COUNTY, the PROVIDER shall submit to COUNTY a current Civil Rights Compliance Plan (CRC) for Meeting Equal Opportunity Requirements under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title VI and XVI of the Public Service Health Act, the Age Discrimination Act of 1975, the Omnibus Budget Reconciliation Act of 1981 and Americans with Disabilities Act (ADA) of 1990. PROVIDER shall also file an Affirmative Action (AA) Plan with COUNTY in accordance with the requirements of chapter 19 of the Dane County Code of Ordinances. PROVIDER shall submit a copy of its discrimination complaint form with its CRC/AA Plan. The CRC/AA Plan must be submitted prior to the effective date of this Agreement and failure to do so by said date shall constitute grounds for immediate termination of this Agreement by COUNTY. If an approved plan has been received during the previous CALENDAR year, a plan update is acceptable. The plan may cover a two-year period. Providers who have less than twenty employees, but who receive more than \$20,000 from the COUNTY in annual contracts, may be required to submit a CRC Action Plan to correct any problems discovered as the result of a complaint investigation or other Civil Rights Compliance monitoring efforts set forth herein below. If PROVIDER submits a CRC/AA Plan to a Department of Workforce Development Division or to a Department of Health and Family Services Division that covers the services purchased by COUNTY, a verification of acceptance by the State of PROVIDER's Plan is sufficient.
- B. PROVIDER agrees to comply with the COUNTY's civil rights compliance policies and procedures. PROVIDER agrees to comply with civil rights monitoring reviews performed by the COUNTY, including the examination of records and relevant files maintained by the PROVIDER. PROVIDER agrees to furnish all information and reports required by the COUNTY as they relate to affirmative action and non-discrimination. PROVIDER further agrees to cooperate with COUNTY in developing, implementing, and monitoring corrective action plans that result from any reviews.
- C. PROVIDER shall post the Equal Opportunity Policy, the name of PROVIDER's designated Equal Opportunity Coordinator and the discrimination complaint process in conspicuous places available to applicants and clients of services, applicants for employment and employees. The complaint process will be according to COUNTY's

policies and procedures and made available in languages and formats understandable to applicants, clients and employees. PROVIDER shall supply to COUNTY's Contract Compliance Officer upon request a summary document of all client complaints related to perceived discrimination in service delivery. These documents shall include names of the involved persons, nature of the complaints, and a description of any attempts made to achieve complaint resolution.

- D. PROVIDER shall provide copies of all announcements of new employment opportunities to COUNTY's Contract Compliance Officer when such announcements are issued.
- E. If PROVIDER is a government entity having its own compliance plan, PROVIDER'S plan shall govern PROVIDER's activities.

XII. LIVING WAGE.

- A. PROVIDER agrees to pay all workers employed by PROVIDER in the performance of this Agreement, whether on a full-time or part-time basis, the prevailing living wage as defined in section 25.015(1)(f), Dane County Ordinances. PROVIDER agrees to make available for COUNTY inspection PROVIDER's payroll records relating to employees providing services on or under this Agreement or subcontract.
- B. If any payroll records of PROVIDER contain any false, misleading or fraudulent information, or if PROVIDER fails to comply with the provisions of section 25.015 of the Dane County Code of Ordinances, COUNTY may withhold payments on the Agreement, terminate, cancel or suspend the Agreement in whole or in part, or, after a due process hearing, deny PROVIDER the right to participate in bidding on future county contracts for a period of one year after the first violation is found and for a period of 3 years after a second violation is found.
- C. PROVIDER agrees to submit to COUNTY a certification as required in section 25.015(7) of the Dane County Code of Ordinances.
- D. PROVIDER agrees to display COUNTY's current living wage poster in a prominent place where it can be easily seen and read by persons employed by PROVIDER.

 - 2. When the provider is a school district, a municipality, or other unit of government;
 - 3. When the County is purchasing residential services at an established per bed rate;
 - 4. When employees are persons with disabilities working in employment programs and the provider holds a current sub-minimum wage certificate issued by the U.S. Department of Labor or where such a certificate could be issued but for the fact that the employer is paying a wage higher than the minimum wage;
 - 5. When an individual receives compensation for providing services to a family member;
 - 6. When employees are student interns;
 - 7. When the provider meets any other criteria for exemption outlined in section 25.015(1)(d) of the Dane County Code of Ordinances; and
 - 8. Where the contract is funded or co-funded by a government agency requiring a different living wage, the higher wage requirement shall prevail.

XIII. DOMESTIC PARTNER EQUAL BENEFITS. The PROVIDER agrees to provide the same economic benefits to all of its employees with domestic partners as it does to employees with spouses, or the cash equivalent if such a benefit cannot reasonably be provided. The PROVIDER agrees to make available for County inspection the PROVIDER's payroll records relating to employees providing services on or under this contract or subcontract. If any payroll

records of a PROVIDER contain any false, misleading or fraudulent information, or if a PROVIDER fails to comply with the provisions of s. 25.016, D. C. Ords., the contract compliance officer may withhold payments on the contract; terminate, cancel or suspend the contract in whole or in part; or, after a due process hearing, deny the contractor the right to participate in bidding on future County contracts for a period of one year after the first violation is found and for a period of three years after a second or subsequent violation is found.

XIV. COMPLIANCE WITH FAIR LABOR STANDARDS.

- A. Reporting of Adverse Findings. During the term of this Agreement, PROVIDER shall report to the County Contract Compliance Officer, within ten (10) days, any allegations to, or findings by the National Labor Relations Board (NLRB) or Wisconsin Employment Relations commission (WERC) that PROVIDER has violated a statute or regulation regarding labor standards or relations,. If an investigation by the Contract Compliance Officer results in a final determination that the matter adversely affects PROVIDER'S responsibilities under this Agreement, and which recommends termination, suspension or cancellation of this agreement, the County may take such action.
- B. Appeal Process. PROVIDER may appeal any adverse finding by the Contract Compliance Officer as set forth in sec. 25.015(11)(c) through (e).
- C. Notice Requirement. PROVIDER shall post the following statement in a prominent place visible to employees: "As a condition of receiving and maintaining a contract with Dane County, this employer shall comply with federal, state and all other applicable laws prohibiting retaliation or union organizing."

XV. MISCELLANEOUS.

- A. Registered Agent. PROVIDER warrants that it has complied with all necessary requirements to do business in the State of Wisconsin, that the persons executing this Agreement on its behalf are authorized to do so, and, if a corporation, that the name and address of PROVIDER's registered agent is as set forth opposite the heading REGISTERED AGENT on page 1 of this Agreement. PROVIDER shall notify COUNTY immediately, in writing, of any change in its registered agent, his or her address, and PROVIDER's legal status.
